world is taking advantage of the popularity of Yoga by large scale adoption of the total approach of Yoga, with this modern pandemic. That would be a great contribution of India to World.

Monitoring of the project will be made through local newspapers, handouts, televisions etc. for subject to enroll for this project at existing Yoga centers of NGOs like Bharatiya Samsthan. Senior Research Fellow & Junior Research Fellow appointed for the GDP, will help in arranging, co-ordination monitoring and obtaining the data for the project.

- Orientation
Training Programme for the service oriented experienced Yoga Teachers of these NGO’s will be conducted for two weeks by the senior faculty of the NGO’s under the guidance of VYASA team. All these teachers will work on voluntary basis.

- The recruitment of the subjects who sign the informed consent from to participate in the year long study will be
done at about 60 centers spread out different in parts of the city, with an aim to recruit 100 subjects for each centers. We hope to complete 3500 subjects in first year and 1500 in second year of the study.

Trained instructor will teach the Yoga module of IAYT in these for 2 hours / day, 5 days/week for 2 weeks. After the programme the subjects will be encouraged to attend regular ongoing classes all year round in the nearby centers. Monitoring of the attendance will be done
in these centers by maintaining an attendance book. For those who cannot come to the center for daily practice throughout the year, a monthly visit for 2 hours to attend the class followed by interaction with the teachers for feedback of health status will be arranged.
